

Second Annual **Eagles for Education** Golf Tournament

Oct. 21, 2017 at Bidwell Golf Course

This charity golf tournament will benefit the ongoing effort to establish a much-needed new Charter High School in Paradise. This new educational option will help foster the development of hundreds of students who will be the future employees, citizens and leaders of our community. We wish to invite all charter high school supporters and prospective families to participate, as the opening of this high school is a labor of love for **all** students. Please come out and show your support for expanding educational choice on the ridge.

Together We Can All Achieve!

Support Educational Choice & Excellence: Sponsor the “Eagles for Education” Golf Tournament

*To benefit the future
Achieve Charter High School of Paradise.*

Dear Business Owner and/or Community Member,

Achieve Charter High School invites you to become an integral part of our second annual “**Eagles for Education**” golf tournament on Oct. 21, 2017. The event will be held at Bidwell Park Golf Course situated in the beautiful foothills of historic Bidwell Park.

Funds raised by this event will benefit the ongoing effort to establish a much-needed new high school option in Paradise to help foster the development of hundreds of students who will be the future employees, citizens and leaders of our community.

The Achieve Story

Achieve is a nonprofit 501(c)(3) public charter school currently serving 230 kindergarten through eighth grade students on The Ridge within the PUSD. Achieve Charter School’s mission is to provide a small, character-rich learning environment to help our students reach their full potential. Locally governed by community members, parents and teachers, **Achieve produces students who are solution-oriented, socially responsible and self-directed through project-based learning, integrated curriculum, and personalized learning.**

A New High School with a New Purpose

In an educational environment where 83% of high school graduates in Paradise are not eligible to attend a 4-year college, the need for greater educational opportunity and choice is more important than ever. As we look forward to adding a dynamic new high school to our charter in 2018-19, we are asking for your support to help us raise the necessary funding to continue to provide quality educational opportunities in our community.

Achieve Charter High School will help build quality citizens, graduating students well-prepared to enter a 4-year college or a community-based position within local industry. Special areas of focus for the new Achieve Charter High School will include Small Business and Entrepreneurship, and Sustainable Design and Technologies. We achieve educational excellence through a small-school environment, integrated “real world” units, and imbedded character development.

Achieve Charter School Answers the Call

Entering its 13th year of operation, Achieve Charter School has seen a steady increase in student achievement and overall operational success. Achieve currently boasts a waiting list of 230, outperformance of other area schools’ test scores, an attendance rate of 97%, impressive parent involvement, high teacher/staff satisfaction and involvement, an impressive investment in technology, a personalized learning plan for every student, strong local governance, sound finances with a 25%

reserve, research-based instructional and assessment strategies and character education embedded in our strong sense of community.

Get Involved: Support the Golf Tournament

We invite you to **join us as a sponsor for “Eagles for Education”** by choosing from one of our many **Sponsorship Opportunities (ranging between \$150–\$2,500) and/or supporting us through donations of prizes or raffle items.** We are excited for this second year of such an enjoyable and successful fundraising event. We look forward to the opportunity it will afford our current Achieve families, future families, and the community to participate in a day of fun and sport together!

By becoming a sponsor, you will be promoting your company to both a community very loyal to its sponsors as well as many professionals who will be participating in the golf tournament themselves. Please consider showing Achieve Charter School families, friends, and colleagues your company’s commitment to educational choice on the Ridge by becoming a sponsor of this inaugural noble event.
